## Speech Pathology

Are you concerned about your child's:

- ◊ Talking ?
- ◊ Speech sounds?
- ◊ Language use?
- ◊ Play skills ?
- ◊ Listening ?
- ◊ Communication ?
- ◊ Feeding ?

Speech Pathologists help to determine whether there is a risk to your child's communication development and help families to understand the child's strengths and those areas requiring support.

Speech Pathologists liaise with other professionals to ensure an holistic service is provided to the child and their family.
